

# The Heritage Credenza

By

Vinotheque Wine Cellars

**The Heritage credenza** The Heritage credenza offers the efficiency of our traditional cabinets, the contemporary look of a credenza with the elegance of a finely crafted piece of furniture. This two-door unit has the capacity of 236 bottles in traditional racking. The credenza comes with raised mouldings around the interior door panels as well as side panel and base mouldings to create an elegant statement of wine collecting.

## Options:

The customer can choose from any of the following door styles.

Raised Panel solid doors

Window Doors

Bird's eye inlay

**Bird's Eye Maple Inlay:** We offer Birds eye inlays for door and side panels as well as counter top inlays. The exquisite look of Bird's eye maple offers a remarkable look and feel.

**Granite top;** The option of granite top on this credenza will provide a spectacular impression.

**Custom woods:** We offer the Heritage credenza series in the popular hardwoods of Cherry, Maple, Honduran Mahogany, Black Walnut, many other woods are also available.

**Sliding shelves:** This new option offers both ease of access and display capability. Sliding shelves are designed to cradle each bottle individually while offering

convenient access to any wine in the cabinet. The shelves also allow collections to be consolidated and displayed in various groups within the cabinet.
